Donations to the Rotary Foundation:

The club has so far donated a sum of about (US\$ 79000.00) to T.R.F. either by way of PHF contribution or SPHF contribution or through DDF contribution in the district.

Our experience in M. G. Projects:

We have successfully completed 5 M. G. Projects and 2 global grant projects in past as under:

1. Providing clean drinking water to schools/colleges in Osmanabad (26 institutes) I
2. Providing clean drinking water to schools/ colleges in Osmanabad (26institutes) II Both the projects were approved by clubs from Canada for participation. We have saved an amount of Rs. 1.00 lacs from the funds received, and returned back the same to T.RF.
3. Providing eye care equipments to Rotary Eye Hospital to the extent of Rs. 14.70 lacs was the third M. G. Project completed by us on 31/3/2006. The Rotary District 5280 (USA) was our matching partner, along with R. I. Dist 3130.
- 4,5. Two matching grant projects for cataract surgeries with clubs from Australia and USA. RID 7470
6. One global grant project for pathology laboratory with the help of RID 7470 and RC Denville in 2014.
7. One global grant project for mobile ophthalmic diagnostic van with the help of RID 9920 and RC Somerville and papatoe central, Newzealand

Our Centennial Project Highlights:

2002: Scientific survey of existing medical facilities in the district and assessment of gray areas. Purchase of 1.2 hectares of land from member's contribution for proposed health complex. 2003 , Preparation of project report for M. G. Project, Creation of club web site. Getting approval of foreign partnership from R.I. Dist 5280.

2004: Approval of M.G. by R.I., Selection of design and plan of the building by conducting all India architectural competition. Fund raising efforts for the construction. 2005-June 2006: Fund raising

and construction of two storied first phase of eye hospital. Hospital commenced services after inauguration on 28th June 2006. We have already identified many key villages in the district within a radius of 50 kms, where we are conducting Vision Care Camps, for patients screening on regular basis. These centers are providing us patients from rural areas, untapped so far. Carpet area of the building 10,000 sq ft. Cost of construction so far Rs. 90.00 lacs. Plant, machinery & equipments purchased worth Rs. 50.00 lacs. Total investment in the project so far is to the tune of Rs. 140.00 lacs.

which was contributed as under:

Rotary members and their families Rs.25.00 lacs
The M.G. funding Rs. 25.00 lacs
Public donations collected Rs. 90.00 lacs

Impact on the society:

The publicity earned by this project in last ten years and our movement in the entire district for fund raising and for check up camps has yielded in to awareness rotary's work even at rural level. Rotary is now looked after with great respect and affection. Many families have come in to contact with the Rotary while implementing the project. Govt. agencies and politicians have taken a note of Rotary's capacity to motivate society for better cause. They are promising all possible help to the project in future. The international contribution of funds have always been focused by us in all our press meets, which has created good impact on the society. We have served more than 1.5 lac patients in villages free of cost and have conducted more than 15000 surgeries so far. The share of free surgeries for poor patients is more than 50 % of total work.

Important Achievements of the Trus:

1. Approval of the hospital under Govt.'s DBCS scheme.
2. Approval of the trust under Section 80 G of Income Tax Act, for last six years.
3. The trust is approved by Govt. of Maharashtra for one time development grant worth Rs.25.00 lacs under National Program for Control of Blindness.
4. The trust is sanctioned registration under Foreign Contribution (Regulation) Act, 1976, by Ministry of Home Affairs, Govt.of India, New Delhi on 18/12/2007.
5. The trust is approved under CSR funding since 2017 for cataract surgeries.
6. The hospital is approved as mentee hospital under Seva Foundation UK for technical consultancy and overall upgradation.

Rotary Seva Trust,Osmanabad.
(Reg.No.E-203, Dt: 16/12/1998.)
